

Annual Calendar of Classic Hymns and Metrical Psalms – 2008

Learn the Psalms Format - Year 3

Revised 12/06/07

This is the third year in which we will follow the “learn the Psalms” format. The 52 Psalms learned in 2006 and 2007 will be sung this year once in the morning. They will be joined by 26 new Psalms (List “C” at the end of this calendar), which will be sung twice on Sunday evenings. In other words, the last two year’s Psalms will continue to be sung once while we learn the new Psalms by singing them two times over the course of the year. We will follow the same basic calendar of hymns as we have in previous years. Otherwise, the same principles are in play:

1. The opening hymn or Psalm should be a great, majestic song of praise
2. The most outstanding and beloved hymns of the church should be sung twice a year, once in the morning and once in the evening.
3. Some attention should be paid to seasonal themes including the high points of the church calendar (the “five evangelical feast days”).
4. Communion is administered once a month, quarterly in the morning (January, April, July, October), and in the evening the other eight months of the year.
5. A check list is provided for the most usable and recommended hymns. ✓ Checks indicate hymns already provided for in the calendar.

Those who have followed the “learn the Psalms” format, 2006-2008 will have learned a total of 76 Psalms by the end of this year.

Those who have decided instead to sing and read through the entire Psalter in 2008 may follow the calendars provided in 2003-2005, which you can have upon request at our website: www.ipcsav.org.

Note: Hymn numbers are from the *Trinity Hymnal* (1990), Psalm selections from the *Trinity Psalter* (1994).
