

Learn the Psalms Format – 2012

This year we will follow the same basic calendar of hymns as we have in previous years. But this year we will not aim to sing as broadly through the Psalter (104 different psalms) as in 2009-11.. Instead we will take the 26 “best” Psalms and sing each of them 4 times in 2012, or once every 3 months, morning and evening. We will also sing a scattering of other psalms. Otherwise, the same principles are in play:

1. The opening hymn or Psalm should be a great, majestic song of praise
2. The most outstanding and beloved hymns of the church should be sung twice a year, once in the morning and once in the evening.
3. Some attention should be paid to seasonal themes including the high points of the liturgical calendar (the “five evangelical feast days”).
4. Communion is administered once a month, quarterly in the morning (January, April, July, October), and in the evening the other eight months of the year.
5. A check list is provided for the most usable and recommended hymns. ✓ Checks indicate hymns already provided for in the calendar.

A similar approach will be followed in 2013 and 2014, until 50-75 Psalms are familiar and beloved by our congregations. *No more excuses.* Commit to singing the Psalms from the *Trinity Psalter* in 2012-2014.

Those who would rather sing and read through the entire Psalter in 2012-14 may follow the calendars provided in 2003 and 2004. Those who would rather sing 52 different psalms may then turn to the 2007 calendar; those wishing to sing 78 psalms may use the 2008 calendar. You may access previous years on our website, www.ipcsav.org, under “Our Worship,” “Worship Aids for Ministers,” or request a copy by e-mailing Debbie Parker at dparker@ipcsav.org.

Note: Hymn numbers are from the *Trinity Hymnal* (1990), Psalm selections from the *Trinity Psalter* (1994).
LIW = *Leading in Worship*

January
